

Deputy Director  
for Administration

DDA 85-0964

NOTE FOR: Chief, New Building Project Office

SUBJECT: Profile of Mr. Casey

*Bob,*

1. Do not want for dedication. Have it ready for installation when foyer is being finished inside.
2. Suggest granite blend into the motif of foyer. Like that of Dulles.
3. I can arrange an interview whenever the Sculptor is ready to start chipping.

To do a profile of Mr. Casey in marble, the following considerations must be addressed:

TIME: To have it ready for the dedication ceremony is difficult. The artist is willing to try but can't make a promise.

MARBLE: To use the same green marble we have for the plaque will require the acquisition of a large piece and the selection from this large slab a section that is free from large white grains. He suggests we consider a different material such as black granite.

INTERVIEW WITH:

Mr. Casey: Artist would want to talk to Mr. Casey to get to know him. To work from photograph alone, the artist feels, will not produce a true representation of the subject.

Dimensions: Artist will need to do some measurements of subject. Profile will be 1 1/4 times actual size.
